ATTENTION PROPERTY OWNERS IN ROUND ROCK ISD AND PFLUGERVILLE ISD

Round Rock ISD and Pflugerville ISD issued orders for a tax rate election this November in August. My office will postpone mailing tax bills for all properties located in both ISDs until after the election results have been determined. The election date is November 7, 2023, meaning tax bills could be mailed in late November.

This delay will ensure that property owners receive a tax bill with the accurate tax rate as determined by voters. It will also save both ISDs additional costs if corrected tax bills or refunds would have been necessary due to the election results.

If you have any questions concerning the tax rate election, please contact the ISD at:
